

RE-AFFILIATION

Affiliation is the bit where your club becomes really good friends with the UCSA. It means you can use all the cool stuff we have, and we have your back when sh*t hits the fan. Cool stuff like BBQ's for fundraisers, sound gear for gigs, rooms to hold meetings, staging decks to give talks, and that printer that never runs out of ink at the wrong time.

Re-affiliation must happen EVERY year. It's an annual process because a lot of stuff changes in a year. This online process involves the UCSA events team checking your club has updated all the right documents and still has enough student members to meet the affiliation criteria.

Compulsory Documents

- A physically signed & dated copy of your constitution (all committee members to sign)
- Updated members list including student ID numbers
- Latest copy of your AGM minutes (President and Secretary to sign)
- A signed Copy of the Clubs Code of Conduct

Here's how to go about it:
