

UCSA SnapChat policy

The *UCSAchat* SnapChat account is set up to **automatically screenshot** images and videos that are sent to us. The material is saved to our online database, accessible only by the UCSA Media & Events team.

By sending images or video to UCSAchat, you agree to the following terms and conditions:

- 1) UCSAchat has permission republish your images and video to our SnapChat story
- 2) The UCSA has permission to print your snap in *Canta* magazine
- 3) The UCSA has permission to (re)post your images and videos to any of our social media platforms – including our Facebook page.

NOTES:

The UCSA will use our discretion as to what material is appropriate to be republished. If we feel there is a high risk that those featured in the images and video would not wish the material to be republished outside of SnapChat, we will not use them.

The UCSA will not pass your images and videos onto third parties without your permission.

If at any time you wish to remove your image or video from one of our SnapChat or Facebook pages, please get in touch with the UCSA.
