University of Canterbury Blues' Awards Criteria

Background

Blues are awarded for achieving a high level of sporting and academic standards and as such are named after the traditional sporting competitions between two original 'Blues', Oxford and Cambridge.

In 2017, the University of Canterbury Students Association (UCSA) in association with Te Whare Wānanga o Waitaha University of Canterbury (UC) developed the traditional sports focused UC Blues event into an all-round awards night celebrating a broader scope of student success. The event now consists of Sports, Community Engagement and the Arts categories.

- Sports will be considered as defined by Sport New Zealand.
- Representation of a University of Canterbury club within the chosen discipline

Section A: Guidelines for individual sports

The following is a list of guidelines to be used by the University of Canterbury Blues panel as a guide for awarding University of Canterbury Blues awards.
